### CASTLE GARDEN UNDER FIRE.

a 000, and it took a day and a night to examine them all.

Immigrants who passed and returned to the district and without friends, were sent to Ward's Island. The daily average of people kept at Castle Garden has year was 206.

He said that nine ships landed yesterday, bringing 3.123 mmigrants, which were examined by five inspectors, who are required to accertain whether an immigrant has sufficient miney to pay his way to his destination or his passage licket.

The question of boarding-houses was then taken up. Licenses were issued by the Board. After an application was received the house was examined.

There had never been more than seventy licensed boarding-houses; at present there are sixty. Licenses were insued at the discretion of the Board.

When I was in the Garden yesterday I have been sold, I also saw two emigrants Illegicated.

"It has of frequent occurrence" asked The cally average of people kept at Castle Garden has year was 205.

He said that vine ships landed yesterday, bringing 3, 112 immigrants, which were examined by the inspectors, who are required to ascertain whether an immigrant has suitinicent in ups to pay his way to his destination or his passage theket.

The question of boarding houses was then taken up. Licensee were issued by the Beard. After an application was received the house was examined.

There had never been more than seventy licensed boarding-houses; at present there are ally. Licenses were insued at the discretion of the Board.

When I was in the Garden yesterday, because the second day of the sainty. Licenses were insued at the discretion of the Board.

It is that of frequent occurrence " asked their man owen.

Yo, sir," answered Mr. Jackson.

There was a time when the Commissioners determined not to sell beer, but they found that the German emigrants were inclined to go out and take more than was good for the morrow.
